Come join us as we move into the second decade of FOOGI! Over the past 10 years, we have completed many projects and events in Malden earning us the respect and trust of our community.

As you know, serving the community doesn't come without a price, which is why this year's **FOOGI 5K Haunt Jaunt** fundraiser is more important than ever! Mark your calendar on *Sunday, October 22nd at 10:00am* for this Fun Run through Malden and Melrose!

We hope you can take part in this community event that benefits Malden and the surrounding areas in many ways. This is the **ONLY** event of its kind in Malden and each year we draw a bigger crowd! This event promotes the importance of physical fitness as a family- and what could be more fun than running or walking in costume?

We are very excited to once again have the event take place at the **YMCA** in Malden on Dartmouth Street, where the race will begin and end with a celebration!

Proceeds from the race will go toward a Malden Charity program at the **YMCA-Livestrong!** This program allows cancer survivors to participate in free or low cost customized exercise regimens catered to their individual needs from certified fitness instructors. The instructors are trained in cancer survivorship, post-rehabilitation exercise and supportive cancer care. We feel this program is a perfect fit with FOOGI's mission.

Your financial support also helps us provide the community with our many events and improvements. As a member of our community, you are aware that a strong community is a successful one! Your generous and thoughtful donation will go a long way in helping FOOGI achieve its goals. Your sponsorship will reach out to the residents of Malden, Melrose, Medford, Everett and surrounding areas by being listed on our website, Facebook group, community flyers, Malden Access Television (MATV) and all local newspapers.

We know you are interested in making a difference in Malden. Please help us make a positive impact in the community with your sponsorship. Feel free to call with any questions or suggestions. Thank you for your time and consideration.

Sincerely,
Jose Mendez
